Dear Vilma, Ani, Tamar and Charles

I wish to express my deepest condolences for the loss of Carlo. Having known him for 20 years, he never failed to share a message of wisdom or anecdote of interest or a joke every time we met. It was an honour to treat him and a pleasure to spend some time with him. He will be greatly missed.

On behalf of our whole team at Centre Dentaire Jardins Dorval, please accept our most sincere sympathies.

May he rest in peace and may you keep his memories joyful in your hearts.

Ani, I know you were so blessed to be able to call him dad. I'm so proud of the person you are today, and I'm only a friend, so I'm sure he was over the moon knowing he raised someone like you. May his memory be a blessing.

I'm sorry for your loss. What an incredible life he had, and wonderful family he raised. If I still had long hair, I'd give it a tug on his behalf. ~Fifia
