Nous avons été attristés d'apprendre le décès de Domenico qui a été pendant plusieurs années un des copropriétaires dans notre édifice de condo tout en aidant à la gestion de l'immeuble. Nous nous souvenons de son sourire et de sa gentillesse. Toutes nos condoléances à sa famille et ses proches.

Hey uncle,
when my time comes I have a few games of bowling to settle with you. If memory serves me right, you're still ahead. I'll miss your sense of humour and your smile but mostly, I'll miss YOU. Thank you Donna and Doogie for giving me the opportunity to spend time with him. Forever in my thoughts,

your godchild,
Micheline (hugs)

We enjoyed spending time with you on special occasions at Donna and Doug's. We always shared a few laughs and your cheeky smile will not be forgotten.
We were thankful to have seen you one last time and I enjoyed hearing about your driving trucks, playing bridge with the ladies and being president of the walking group.
You were my best friend's dad and I will be forever thankful to you.
Rest in peace and smile down on us now and then.
Love, Marsha and Glenn
