Dear Mom,

You started your life as a spring flowing out of the mountains merging into rivers ending in the ocean.

You are not bound to your physical body anymore as you are everywhere.

Your blood still flows in our veins and the veins of your descendants.

We thank everybody who reduced our grief whether through participating in the funeral or leaving messages or contacting us showing their sympathy.

Dear Missirian Family,

I was deeply saddened to hear about the passing of Mme Hnainé. She was a dear friend to my mother Salwa Naoufal, and her kindness and warmth will always be remembered.

Please accept my heartfelt condolences during this difficult time. My thoughts are with you and your family.

With sympathy, Roger Naoufal

This week, we say goodbye to a special woman, my beloved mother-in-law Hnaine. Her kindness, wisdom, and love have touched our lives deeply, she was a down-to-earth person and always wanted to help others, she prayed a lot and loved Saint Charbel, she dedicated her life to her sons and my beloved father-in-law Dikran may he rest in peace, and she treasured her grandchildren. Her absence leaves an emptiness in our family. She will forever remain in our hearts and memories. May she rest in peace.

Only God knows, how much pain you had been through in the past two & half years. May St. Charbel, Jesus Christ of Nazareth & Mother Mary be with you & welcome you with open arms in heaven. We love & miss you. Your beloved son & daughter in law, Zareh & Iza Missirian.
