Our deepest condolences to your family

Olympia Karalekas & Joe Sblano

November 16, 2023

We are so heartbroken of the news of the passing of George. Sara may his memory be enteral. Wishing you strength during this difficult journey forward. To the boys, Amy and kids. Your dad, father in law and grandfather was an awesome man. I will never forget all the laughs we had when he built our backyard balcony. Will forever be in my heart and remember him.

Sending prayers,hugs and love

Bia and Joe
