Dear Araz,

I am deeply saddened by this heartbreaking news. I cannot even begin to imagine the pain of losing a daughter, especially one that is so young. If Lenia was even half the wonderful person her mother is, she must have been a true angel on earth.

Life can be so unfair, and it feels even more heartbreaking when such loss touches someone as kind and caring as you. I hope that, in time, the beautiful memories of Lenia will bring you moments of peace with her love surrounding you.

I know there are no words that can ease the pain that you and your family are experiencing, but please know that you are not alone. I am thinking of you and sending you all the strength, love, and prayers I can during this difficult time.

My heart goes out to you and your entire family.

Sincere condolences.
