Dear Danny,

Our deepest condolences to you and your family. Your dad played an important role in our lives. We knew him when he worked at his Jean Talon jewelry boutique. He made beautiful pieces of jewelry that our family will cherish for a lifetime.

His warm and authentic smile will be missed, but will always stay in our hearts.

Daniel, Rosine, and Aris,

Please accept my deepest condolences on the loss of your beloved father and grandfather.

Daniel, I had the honour of knowing your dad since I was a young girl at the Korona on Jean-Talon. My father was a loyal client of both your father and your grandfather, and they were truly remarkable men.

I will always remember your dad with a warm smile on his face, always asking how my mother was doing. Those small acts of kindness spoke volumes about the kind of person he was.

He was blessed to have met his grandson and spent quality time with him. May you keep his memory alive by sharing his stories and carrying forward the love, kindness, and values he passed on. You are all in our thoughts and prayers during this difficult time.

With our deepest sympathy, love, and prayers.

May he rest in peace.
