My sincere condolences to his family. We both worked up in Mirabel many years ago. We would talk daily about everything and life. He was a very nice man who loved his family. May he rest in peace.

A loving Father and Grandfather who cherished and loved his family above all. His door was always open, his love unconditional, his loyalty unwavering, his support unmatched. With united hearts and minds we mourn your passing. We pray in faith that our Heavenly Father and God, our Lord saviour and redeemer Jesus, with his helper the Holy Spirit, rest and comfort your soul in everlasting life and peace. You will be missed and always remembered. Until we meet again, it will be in the presence of Angels and our Lord. Covered with eternal abundant love and grace. We will rejoice together, celebrating and praising our beloved God and Lord Jesus for his sacrifice, mercy and gift of eternal and everlasting life. Amen.

Dearest Kathy, my deepest condolences for the loss of your father. I recognized his picture & obituary immediately, despite it being many, many years since we've seen each other (Mikes & many fun evenings!) Your husband's heartfelt tribute was lovely. Would love to reconnect alongo72@hotmail.com. Best wishes for much peace in 2025.

"We say farewell to a truly remarkable man. You weren't just a father to your four children and a proud grandfather to your seven grandchildren; you were a beacon of love and pride, always reminding us how special family is. We will always remember how much joy you found in the simple things, like making and serving Makaronia me kima. Rest in peace, dad. We will honor you by staying close as a family and cherishing the love you gave. N. Moustakis and family ?????"
