The Richer Family

January 12, 2026

Our most sincere condolences, from the Richer family to the Lee family, whom we've known, loved and admired for over 40 years. Mr. Lee was a kind, generous and hard-working man who loved his family and always took care of his friends. We will remember him with the fondness and respect that a man of his making deserves.

Dearest Mrs. Lee, Genie, Ryan, Serena, Nicolas and Chloe, we are so very sorry for your loss. You chose such a beautiful photo for the announcement, it captures him so gently and with so much dignity.

Please know that we are holding you all close in our thoughts during this difficult time. May the memories of his strength and devotion bring you comfort, and may you feel surrounded by love as you grieve.
