Dear Guzelimian and Balian family,

I knew Anahid, Herminé, Hatoutioun (Harry) and their very respected father Baron Loudere.

As a young kid I played one of the Avedis Aharonian's play « VAZRIG » at the Greek « Estia » club and Zaven played as the « khmpabed » of a group of 7 fedayees. Haigaz Kaloustian was the priest in the play.

I played basketball with Haroutiun at the « Ararat » marzaran with Varoujan Kazandjian among others.

I have good memories about the past.

Asdvadz togh Anahidin hokin lousavoré.
