Dear Natalie,

I am so very sorry for your loss. Your mother was a very caring and strong-willed person. May you find the strength to get through these difficult days. My sympathies to all of Bayzar's loved ones.

I will fondly remember Bayzar as a no- nonsense woman, energetic, hardworking and enterprising. Her daughter was the light of her being, her companion, her confidant. She fought courageously to live longer for her. It was an honour Bayzar, rest in eternal peace?
