To the Family of Mayda, my sincere condolences. Mayda was a supremely talented colleague, a friend to everyone she worked with. Always sincere, funny and kind, she made sure that even if we were wrong about something, we did not feel bad about it. She will be sadly missed by everyone who had the privilege of knowing or working with her.

May you rest in peace, Mayda.

I will always treasure your great work ethics and love for your team.

Condolences to all of Magda's family and friends. She will forever be missed and be in our hearts.
