To Peter and Costa,

We also had the pleasure of knowing your mom for many years. Kiriya Matoula ask we called her, had a heart of gold, always looking for the best in everyone she meet. It is true, that her door was always open and her table always full of home cooked delights. We rarely left without a foil wrapped goodie!

Peter and costa, cherish her memory?

Your mom was a beautiful person inside and out.

Kiriya Matoula, thank you for your life lessons, your hospitality and your strength.

May your memory be eternal ??
