I would like to extend my deepest heartfelt condolences to the Jozikian family. Varouj was my uncle and always treated me like I was one of his own children. He was a very kind, giving and unselfish man. He had a big heart and would always help people in need. He would always go above and beyond to provide the best for his family. He was an extremely hard worker and was very active as a member of the Armenian community. He had a great sense of humor and always loved to live life to the fullest. His physical presence with us will truly be missed, but he will always be present with us spiritually and in our fond memories of him. No more suffering, no more pain. Varouj is in heaven now. Rest in peace my uncle. We will never forget you.
