To the Keshishian family and our dear friend Cedric, we wanted to extend our deepest condolences in this time of sorrow. The loss of one's parent is a void that can never be filled but the memories remain to help the healing. We love you guys.

Viken was a very special person and had a very special place in my heart and always will. I will definitely miss him because I've always felt that he was my older brother when I was growing up. I felt very close to him and I loved him and I still do, may God rest your soul Viken And may God have your soul in a bright light as you had a very happy soul
